PLAYER PITCH REGISTRATION CLOSES MIDNIGHT MARCH 8TH 2023

Register here: <https://www.chantillyyouth.org/registration>

CYA LITTLE LEAGUE CHARTERS WITH LITTLE LEAGUE INTERNATIONAL

- All divisions from Tee Ball through Majors are chartered with Little League and must follow Little League Rules and Regulations.
- All players must reside (or attend a school full time) within our CYA Little League boundaries.
- All players in Minors (AA, AAA) and Majors will be drafted to teams after attending player assessments/tryouts.
- Machine Pitch (A), Coach Pitch, and Tee Ball teams are primarily formed based on neighborhoods and schools.
- All players will have the LL Patch on their left uniform jersey sleeve.

CYA Little League is defined by the Little League geographical boundary method. Players must reside within or attend (full time) a school that resides within the CYA LL boundary. The official CYA Little League boundary maps and the schools that are located within our league boundaries are here: [CYA Little League Boundary Map](#)

CYA Little League is part of the Little League Southeast Region, Virginia District 10. There are 16 LL districts in the Commonwealth of Virginia. District 10 leagues and boundary maps can be found here: <https://www.eteamz.com/valldist10/files/VirginiaDistrict10BoundaryMap.pdf>

VOLUNTEERS

CYA Little League is an all-volunteer organization. We can't do what we do without you. Please consider volunteering to coach, umpire, work the snack shack, help maintain our fields, work a field improvement project, become a sponsor, and more. Even if you don't step up as a head coach, parents are needed at practices. Helping players learn how and where to throw the ball, and which direction to run and when to run is a full team effort. More importantly, it really is fun!

We are hopeful that the Chantilly Park Snack Shack will be open this season regularly. Specifics won't be in place until a couple of weeks before our league Opening Day.

During seasons that the Snack Shack is operating, each AA, AAA, and Majors team is required to have a Snack Shack Coordinator. The team Snack Shack Coordinator will be the point of contact for schedule coordination between the league and the parents on each team.

Every parent from AA through Majors is expected to fill at least one shift in the Snack Shack at Chantilly Park. You will be able to sign up for shifts once the season schedule is posted.

WHAT IS LEAGUE AGE?

Little League determines eligibility by league age. Please check the 2023 league age chart [here](#).

WHAT ARE TYPICAL BASEBALL DIVISIONS BY AGE?

Players below the typical age for a division must tryout to "play up". When registering, if applicable, check the "play up" box and select the desired division to play up to.

WHAT IS THE DIFFERENCE BETWEEN TEE BALL AND COACH PITCH?

Tee Ball is for first time players. In Tee Ball, players hit a ball off a batting tee. Tee Ball and Coach Pitch teams are kept small to maximize hitting and fielding opportunities for each player. Players hit a soft, safety ball off a batting tee and run one base at a time, while fielders learn to field the ball and throw the ball to first base. Every player bats and plays the field every inning. All players are safe on the bases.

Coach Pitch is for players who have completed a season of Tee Ball. Coaches pitch a soft, safety ball to players (a tee is used if batter unable to hit the pitches) while fielders learn to field the ball and throw the ball to any appropriate base. Every player bats and plays the field in each inning. Players begin to learn the concept of force outs, and the position of catcher.

TYPICAL BASEBALL DIVISIONS BY AGE

Players below the typical age for a division must tryout to “play up”. When registering, if applicable, check the “play up / play down” box and enter the desired division to play up to.

Tee Ball - ages 4-6, players hit from a tee

Coach Pitch - ages 6-7, coach pitch from a short distance

Single A - age 8, machine pitch

AA - age 9, player pitch

AAA - ages 10-11, player pitch

Majors - ages 10-12, player pitch

Challenger - boys and girls age 4-22 with physical or mental challenges

SPRING 2023 CYA LITTLE LEAGUE FREQUENTLY ASKED QUESTIONS

WHY ARE FEES DIFFERENT BY DIVISIONS AND HOW ARE THEY USED?

Our parent organization, the Chantilly Youth Association (CYA), provides our registration, administration, accounting, insurance, and filing taxes - charges each sport participant (each season) \$35.00.

Fairfax County charges a fee of \$5.50 to each diamond field user for use of county fields (parks and schools).

CYA Little League pays for a scheduling and communication website (currently LeagueAthletics) that provides more flexibility and ease of use than CYA's Demosphere system.

While the Washington Nationals Uniform Program provides jerseys and hats for players, CYA LL incurs additional uniform and equipment costs such as the required LL patch on each player jersey, coach's shirts, practice and game balls, catcher's gear, pitching machines, tees, field equipment and materials, field maintenance, and more.

Tee Ball and Coach Pitch are primarily played on Fairfax County Park Authority fields where CYA LL does no field maintenance.

WHAT AND WHEN ARE PLAYER ASSESSMENTS?

All players hoping to play AA, AAA, and Majors must attend player assessments that will be held on March 11th (specific date and times will be posted on our website and Facebook page and emailed to all registrants) at Chantilly Park (weather date – March 12th).

Players will throw, field, run, and hit while observed and rated by team managers, coaches, and league officials. Ratings will be used by managers to help draft players to teams.

Players dress like a baseball player (hat, baseball pants, shirt tucked in), and bring a glove. Players should bring a helmet and bat if they have them.

HOW ARE TEAMS FORMED?

AA, AAA, and Majors teams will be formed through league drafts. While all 12-year-old players must be drafted to a Majors team (unless a waiver requested by parents and approved for the 12-year-old to play AAA), the number of 11 and 10-year-old players who might be drafted is a function of their assessment and whether they are selected in the draft. Drafts will normally be held the week following player assessments.

Tee Ball, Coach Pitch, & Single A teams will be formed by neighborhoods, schools, and special requests by league.

Players are not assigned to teams based upon their desired practice night or carpool requests.

WHAT WILL MY CHILD NEED TO PARTICIPATE?

Your child should have athletic shoes or cleats, a glove, and a batting helmet for all games and practices. Shoes with metal spikes or cleats are not permitted. Players will need to provide socks, a belt, and uniform pants.

The league will provide a hat and a jersey to each player as well as catcher's gear for each team.

Players should wear baseball pants and tuck in their shirts for assessments, practices and games.

Player Pitch players (AA, AAA, & Majors) should wear baseball (or soccer) cleats. Tee, Coach Pitch, and Machine Pitch (A) players may wear sneakers.

SPRING 2023 CYA LITTLE LEAGUE FREQUENTLY ASKED QUESTIONS

All boys should wear a protective cup. No player may play the position of catcher without a protective cup.

WHAT TRAINING OPPORTUNITIES ARE AVAILABLE?

CYA Little League offers many opportunities for parent, coach, and player training throughout the year.

Players will have opportunities to attend academy-style clinics/mini-camps.

Umpire training is conducted before the start of every season for youth and adult umpires.

Training opportunities will be posted on our website.

WHEN DOES THE SPRING SEASON START & END?

Practices will begin in late March and games will begin by early April. FCPA fields do not open until the end of March.

Tee Ball and Coach Pitch practices will begin near the end of March.

Player pitch divisions will conclude regular season play by the end of May while Tee Ball, Coach Pitch, and Machine Pitch will play through the second weekend in June.

AA, AAA, And Majors will end the season with a house tournament.

WHEN WILL I KNOW MY PLAYER'S SCHEDULE?

Practice dates and times are set by team managers. Until teams are formed and have managers, nobody will know beyond the general schedule above. One way to ensure your child can make it to practice is to volunteer to manage a team and you get to set the practice schedule.

Game schedules will be generated by the league scheduler.

I'D LIKE TO MANAGE, COACH, OR UMPIRE – WHAT SHOULD I DO?

Managers (head coaches) are responsible for coordinating communication with player families, conducting practices, managing games, developing players, and knowing the rules. Coaches (assistant coaches) assist the manager in conducting practices, developing players, know the rules, and fill in for the manager when needed.

If you are interested in managing, coaching, or umpiring please check the appropriate box when registering your player. If you do not have a child to register, but wish to volunteer, please use the volunteer registration through the CYA Registration website (<https://www.chantillyyouth.org/registration>).

Upon volunteering to manage or coach, all volunteers will be sent a link to an on-line Little League background check. All volunteers must submit and clear a criminal background check to be appointed as a manager, coach, or on-field helper.

If you have any questions, please contact our safety officer at safety@chantillylittleleague.org.

Managers and coaches are recommended by our league vice president and coaching coordinator. All managers, coaches, and umpires are then appointed by the league president and subject to final approval by the Chantilly Little League Board of Directors. Managers do not have tenure and having managed or coached a team previously does not guarantee appointment in the future.

Managers and coaches will be required to attend at least one of multiple training opportunities each spring.

Adult umpires will be required to attend training if they have not previously done so.

SPRING 2023 CYA LITTLE LEAGUE FREQUENTLY ASKED QUESTIONS

Youth umpires all need to attend the training if they have not attended a spring umpire training session. This includes fall trained umpires who have not taken the spring training session. Youth umpires must attend the full session.

Managers and coaches will be required to attend a coaches meeting.

Managers are expected to attend player assessments and the drafts.

I WANT TO VOLUNTEER, BUT I HAVE NEVER COACHED BEFORE. CAN I?

Knowledge of the game is essential, but it is not the only badge of a Little League coach or manager. It is required that the manager and coach have understanding, patience and the capacity to work with children. The manager and coach should be able to inspire respect. Above all else, managers and coaches must realize that they are helping to shape the physical, mental and emotional development of young people.

Little League International recognizes and appreciates the challenges that come with being a Little League manager or coach, so it has developed a free on-line coaching resource that Little League managers and coaches can turn to for reference, education, or to stay current with the latest drills and coaching techniques.

The Little League Coaches Resource Center, located on the World Wide Web at: www.LittleLeagueCoach.org, is a free service created by Little League International in cooperation with Cramer Digital Marketing and Event Solutions in Norwood, Mass.

Little League has put together a Tee Ball Program guide for coaches (<http://www.littleleague.org/Assets/2013TeeBall.pdf>) as well as a Coach Pitch program guide (http://www.littleleague.org/Assets/forms_pubs/coachpitch/weeks-1-12.pdf) – both of which can be applied to players of all ages.

USA Baseball has a mobile app (playball Mobile Coach) and a great website (<http://web.usabaseball.com/playball/>) with practice plans and more.

CYA Little League posts many useful references on our website under documents as well as the “Hey Coach” section of the website.
